BRING GROUP DISCOVERY TO YOUR ORGANIZATION

Contact Kelie Hess to schedule her to facilitate a Group Guided Discovery class for individuals with disabilities within your organization. This class is a great introduction to employment for people who are just starting to think about individualized employment.

ABOUT THE COURSE

This class guides participants to:

- Identify interests that may transfer to employment skills and tasks
- Identify strengths and contributions they bring to the workplace
- Consider needed supports, environment, and conditions and for success
- Grow a vision for what individualized employment can look like
- With assistance, each participant creates an employment profile that highlights interests, strengths, and contributions.
