

The background features several overlapping circles in teal, purple, and yellow. A large, light purple circle is prominent in the lower right. Wireframe patterns of various colors (purple, teal, yellow) are overlaid on the circles, creating a complex, geometric aesthetic. The text is positioned in the upper right quadrant.

Learn the Signs. Act Early. Diversity ECHO

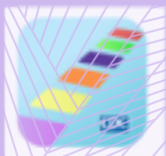

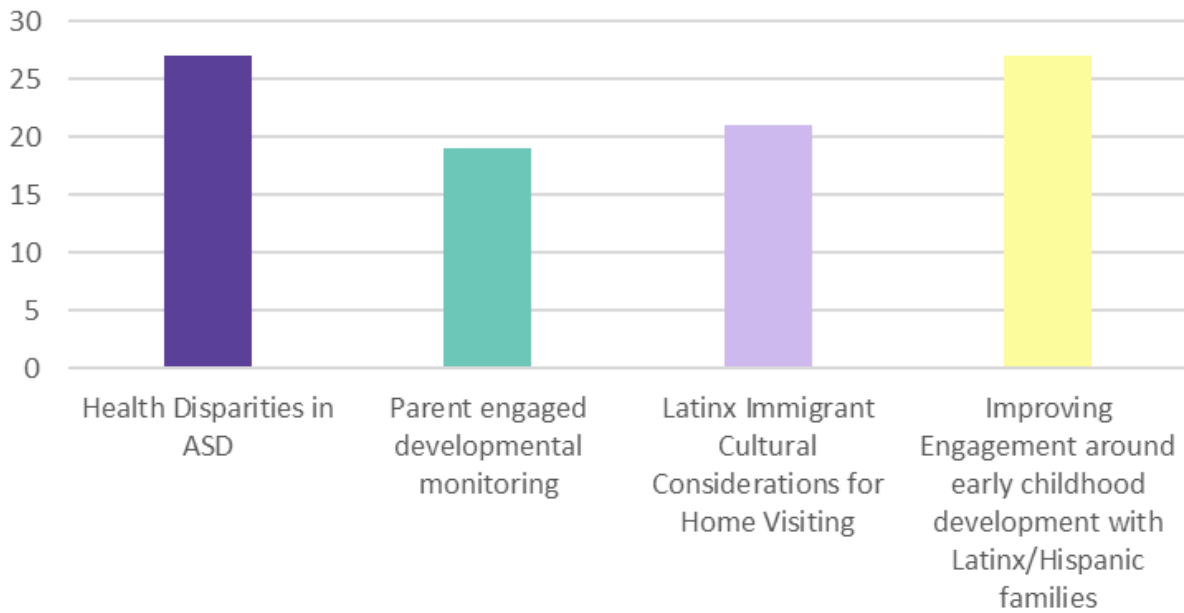

Learn the Signs. Act Early. Diversity ECHO will engage participants in the 4 steps of early identification: parent engaged developmental monitoring, developmental screening and assessment, referral, and services provided. The focus will promote best practices, resources and supports in culturally and linguistically minoritized (CLM) populations.

Join us for a month-long kickoff during August to prepare for school to start by joining our FREE weekly professional development for Early childhood workforce, early childcare providers, early intervention, Early Head Start and Head Start teams, developmental specialists, early childhood special educators, service coordinators, speech language pathologists, physical and occupational therapists.

Great session, all good. very informative.
 I really like the size of today's session it was small enough that I had a chance to offer suggestions.
 Love the trainings, topics are helpful.
 Love these! So informative!
 none at this time, format and ease of use is great
