

CENTER FOR PERSONS WITH DISABILITIES

## Has COVID-19 made life harder? The right device can help!

The **Utah Assistive Technology Program** is offering equipment you can borrow for 90 days.

These devices will help you:

- ◆ **Communicate** with loved ones, medical professionals and others (iPads with telemedicine and communication apps, including live captioning)
- ◆ **Live independently** (devices that help you stand independently from a chair or toilet; aids to buttoning clothes or putting on socks; devices to help with cooking, chopping or peeling)
- ◆ **Move more easily** around your home and neighborhood (walkers, manual and power wheelchairs)

To borrow a device,  
call: **800-524-5152**  
visit: [uatpat.org/demo\\_loan](https://uatpat.org/demo_loan)
